At Auretics, your health is our priority. And in order to be fit, we need to ensure that we intake superior quality ingredients. Therefore, we started searching for the best sources of raw materials in the country, and came up with our FMCG range consisting of spices, chutneys and pickles under the umbrella segment of “Curry Mile”.

Our 100% Pure & Natural masalas are prepared using **cold-grinding process** which preserves all the aromatic contents of the spices. This makes food so delectable that anyone can enjoy the vibrant dishes of our country. Our pickles are made of best quality fruits & vegetables and does not contain any artificial flavour or colour.

Our sauces and chutneys are made from natural & fresh ingredients that makes it tangiest of all.

We assure our **Curry Mile** Range is of best quality and all the deliverables are processed on time.

“Happiness begins with good health”.
